

# Journey to Success

Discovering and Fulfilling the Will of God for Your Life

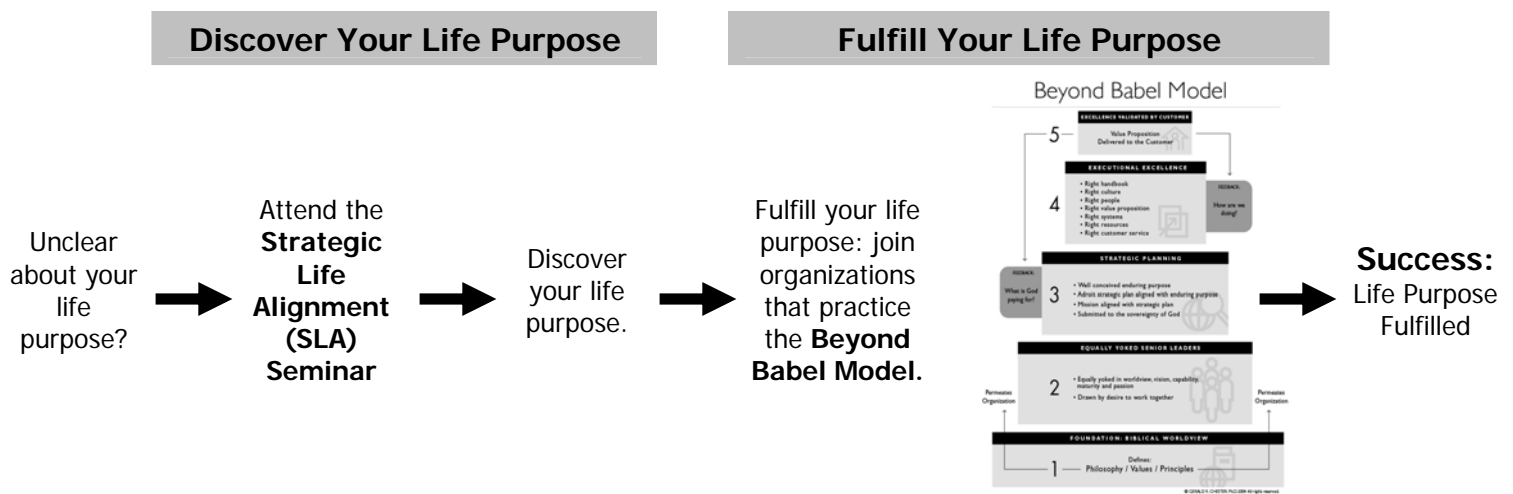

Searching for success in life? Trying to get a better job, increase your finances, and improve relationships?

God releases all of these things in response to us discovering and fulfilling our divinely ordained life purpose. This is true success. Any other definition of success will only lead to frustration.

Note Jesus' definition of success. When praying to the Father at the end of his life, Jesus said: "I have brought you glory on earth by completing the work you gave me to do." John 17:4 [NIV]

Therefore success is discovering and fulfilling the specific will of God for your life – [doing what you were created to do](#).

Get the tools that will help you most quickly and effectively discover and fulfill your divinely ordained life purpose.
